Part-Time Office Employees

Benefits Overview

BAYADA offers a comprehensive benefits plan designed to meet the needs of our employees.

Paid Time Off (PTO)

You will earn an average week's vacation after having worked 2,000 hours. The average week is calculated as 2,000 divided by the number of weeks worked to get to 2,000 hours (maximum average week is 40 hours). Also, sick leave time may be accrued in those cities and/or states that require it by law.

Health insurance, dental, and vision plans

If you work an average 30 hours per week over a 3-month measurement period, you will be able to participate in BAYADA's group health insurance, dental, and vision plans. If your weekly hours worked average below 30, you will still be able to sign up for one of four Minimum Coverage, Enhanced Minimum Coverage, Copay plan, and Copay Plus health insurance plans.

Retirement benefits

Eligibility to participate in the 401(k) starts on your date of hire and you can enroll after receiving your first BAYADA paycheck. You can contribute to the 401(k) on a pre-tax and/or after-tax (Roth) basis up to the IRS annual maximum. You may be eligible for a discretionary employer match after meeting age and service requirements (excluding catch-up contributions). For more information, visit bayada.com/benefits/find-benefits/retirement-plans.

Tuition reimbursement

You will become eligible upon the completion of 6 months of service.

Short-term disability

As an active employee who works at least 15 hours per week, you are eligible to purchase short-term disability coverage. You have the choice of two disability plans. For more information, contact benefits@bayada.com.

Health savings account

If enrolled in the High Deductible Health Plan, you are permitted to open a health savings account after 90 days of service.

Voluntary accidental life, critical illness, hospital indemnity, and disability insurance plans

You will become eligible after 90 days of service and will receive notification of enrollment process.

Direct deposit

You have the option to directly deposit your weekly paycheck. You may choose to split the check into up to three accounts (checking, savings or a combination of each). This service is available to all employees at time of hire (no waiting period).

Online earnings statement

All employees will have 24 / 7 access to view their earnings statements online by visiting home.bayada.com.

Employee Assistance Program (EAP):

Aetna Resources for Living assists employees in resolving a wide range of topics such as legal and financial; and consultations and referrals for childcare, elder care, caregiver support, school and college planning, and convenience services to promote overall wellness.

Identity Theft Protection

BAYADA has partnered with IdentityForce to sponsor identity protection for group-eligible employees. Each year, millions of people have their identity stolen. That's why it's more important than ever to be protected.

Public Service Loan Forgiveness partner

Public Service Loan Forgiveness (PSLF) is a federal program administered by the US Department of Education, which allows full-time employees of qualifying nonprofit employers to have the remaining balance of their Federal Direct student loans forgiven after making 120 (10 years) qualifying monthly payments under a qualifying repayment plan. Nonprofit entities of BAYADA are qualifying employers. For more information, view the Public Service Loan Forgiveness section under bayada.com/benefits/find-benefits/additional-benefits.

Commuter benefits

Commuter benefits allow pre-tax funds to pay for qualified work-related commuting and parking expenses such as bus, train, ferry or subway fares and parking meters and parking garage fees.

MEDICAL – Aetna

BAYADA offers two medical plans through Aetna's Premier Care Network Plus. The APCN+ Network plans give you more coverage options. It assigns providers into three different tiers. Make sure you understand the benefits of each tier and which category your providers fall under before receiving treatment. The APCN+ Multi-Tier plans sort doctors and facilities into tiers based on their performance and ability to save money. The highest performing and most efficient doctors and facilities are in Tier 1. To find out if your provider is in the Tier-1 network and obtain the most savings, use <https://www.aetnadocfind.com/2025-apcn-plus-mt-cpii/>

MEDICAL – *Minium Essential Coverage*

The Minimum Coverage plan includes 63 preventive tests and an array of other services that meet the Affordable Care Act Individual Mandate requirements. Cost varies according to the plan selected and number of people enrolled per week for coverage.

For 2025, there are 4 medical plans for you to choose from: MEC, MEC Copay, MEC Enhanced, and MEC Enhanced Copay. All plans include a tele-medicine and the AWP Value Rx discount program. The only difference between the plans is the additional reimbursement toward covered expenses. All 4 plans are provided by Fringe Benefit Group, which will contact new employees after they receive their first paycheck.
