Health insurance, dental, and vision plans

Employees are newly eligible the first of the following month after working at BAYADA for 4 consecutive weeks with 20 or more hours each week. If an eligible employee does not enroll during the newly eligible period, the employee must wait for the next open enrollment period or experience a Qualifying Life Event (QLE). An employee must continue to work 80 or more hours each month to maintain eligibility. If an employee does not work more than 80 hours, the employee will lose coverage at the end of the month.

Eligibility to participate in the 401(k) starts on your date of hire and you can enroll after receiving your first BAYADA paycheck. You can contribute to the 401(k) on a pre-tax and/or after-tax (Roth) basis up to the IRS annual maximum. You may be eligible for a discretionary employer match after meeting age and service requirements (excluding catch-up contributions).
