Turning 65? Understand Your Medicare Options

Whether you retire or continue to work, choosing the right health care option is an important decision when you reach age 65.

Most people become eligible for Medicare at age 65. When that happens, you'll probably have some time-sensitive decisions to make, based on your individual situation.

Introducing Alliant Medicare Solutions

Medicare can be complicated. Figuring out the rules— not to mention how Medicare works with or compares to your employer-provided medical coverage—can be a challenge. That's why we are offering Alliant Medicare Solutions (AMS). The licensed insurance agents at AMS can help you understand Medicare, what is and isn't covered, and how to choose the best coverage for your situation.

How does it work?

Call AMS at **1-877-888-0165** to speak to a licensed insurance agent. Have your current medical coverage information available when you call.

Discuss with AMS your existing insurance coverage, your Medicare options, and which of those plans might work the best for you.

If Medicare is the best option, AMS helps you enroll immediately or emails policy materials for you to review and enroll at a later date.
