Employee Contribution Elections:

- **Regular Contributions:** Eligible employees can elect 1% to 80% of eligible compensation. **The 2025 IRS limit for employee contributions, on a pre-tax and/or Roth after-tax basis, is \$23,500** (\$500 increase from 2024).
- **For Employees Ages 50-59 and 64+ in 2025:** **The 2025 IRS limit for employee "catch-up" contributions, on a pre-tax and/or Roth after-tax basis, is \$7,500** (same as 2024). Employees should intend to max out the 2025 IRS annual employee contribution limit of \$23,500 **PRIOR** to electing "catch-up" contributions through Empower. Employer Match Contribution Eligibility:

- Minimum age of 21.
- 1 year of service from hire date.
- 1,000+ hours during 1st year of employment or any subsequent calendar year.
- Employed on the last day of the applicable calendar year or worked at least 501 hours in the applicable calendar year.
- **NOTE: Contributions made prior to meeting the employer match contribution eligibility requirements above will not be matched.**

Employer Match Contributions:

- BAYADA may make an annual discretionary employer match contribution to the **403(b)** plan.
- **How the Employer Match is Calculated:** Historically, employer match contributions = 35% of the first 4% of non-catchup employee contributions made to the plan (maximum match is 1.4% of eligible compensation). *For example, if an eligible employee's annual compensation is \$50,000 and they contribute 4% (\$2,000) of their compensation, they would receive an employer match of 35% of \$2,000 (\$700).*
- 403(b) catch-up contributions are **NOT** included in the employer match contribution calculations.

The information contained in this summary is based on the BAYADA 403(b) Plan Document, which governs the provisions of the Plan. This is not a Summary Plan Description (SPD). If there are any differences between this information and the Plan Document, the Plan Document will be considered accurate. For a copy of the Plan Document or SPD, please visit [BAYADA Retirement Plans](https://www.bayada.com/retirement). Please contact Empower for further information at TBD or [Empower-Your Retirement Plan](https://www.bayada.com/empower-your-retirement-plan) or the BAYADA Retirement Team at retirement@bayada.com.

- **Employer Match Timing:** BAYADA normally processes the annual employer match contributions by the end of the 1st quarter (March) of the following year for any eligible employee. *For example, the 2025 employer match contribution would be processed in March 2026 to eligible employees.*
