

2025 Benefits At A Glance Full-Time Hospice (SPC)

Benefits Overview

BAYADA offers a comprehensive benefits plan designed to meet the needs of our employees.

Paid Time Off (PTO) and Holidays

Immediately upon hire, you will earn Paid Time Off (PTO). PTO is accrued weekly and is calculated based on total hours worked multiplied by 0.0769. You will receive compensation for recognized holidays that occur during the workweek. If a recognized holiday falls on the weekend, you will be awarded PTO hours. Additionally, you will receive extra compensation for any time worked on recognized holidays.

Health insurance, dental, and vision plans

You will be able to obtain one of four of BAYADA's Minimum Essential Coverage plans shortly after hire. Following 60 days of employment, you will also be offered BAYADA's group health insurance benefits. Group benefits become effective on the 90th day after hire. To maintain coverage, you must average 30+ hours per week over a 3-month measurement period.

Retirement benefits

Eligibility to participate in the 401(k) starts on your date of hire and you can enroll after receiving your first BAYADA paycheck. You can contribute to the 401(k) on a pre-tax and/or after-tax (Roth) basis up to the IRS annual maximum. You may be eligible for a discretionary employer match after meeting age and service requirements (excluding catch-up contributions). For more information, visit bayada.com/benefits/find-benefits/retirement-plans.

Tuition reimbursement

You will be eligible for tuition reimbursement for one 3-credit course per semester as decided by the director.

Short-term disability

The DisabilityFLEX plan requires a working average of 15 hours per week and earn a minimum of \$26,000 or more in gross annual income to be eligible for the plans. For more information, contact benefits@bayada.com.

Life insurance

You will become eligible for a \$15,000 term-life insurance policy after working a minimum of 1,000 benefit credit hours in the previous calendar year and can purchase up to an additional \$300,000 in voluntary life coverage after 90 days of service depending on your job classification.

Flexible Spending Account (FSA)

You will become eligible to open a dependent care and/or medical flexible spending account after 90 days of service. You must enroll each year to maintain an FSA

Health savings account

If enrolled in the High Deductible Health Plan, you are permitted to open a health savings account after 90 days of service.

Voluntary accidental life, critical illness, and hospital indemnity

Active employees working an average of 15 hours per week and earning a minimum of \$26,000 or more in gross annual income will become eligible after 90 days of service and will receive notification of enrollment process.

Direct deposit

You have the option to directly deposit your weekly paycheck. You may choose to split the check into up to three accounts (checking, savings or a combination of each). This service is available to all employees at time of hire (no waiting period).

Online earnings statement

All employees will have 24 / 7 access to view their earnings statements online by visiting home.bayada.com.

Employee Assistance Program (EAP):

Aetna Resources for Living assists employees in resolving a wide range of topics such as legal and financial; and consultations and referrals for childcare, elder care, caregiver support, school and college planning, and convenience services to promote overall wellness.

Identity Theft Protection

BAYADA has partnered with IdentityForce to sponsor identity protection for group-eligible employees. Each year, millions of people have their identity stolen. That's why it's more important than ever to be protected.

Public Service Loan Forgiveness partner

While not a BAYADA managed benefit, some employees may be eligible for the Public Service Loan Forgiveness (PSLF) federal program administered by the US Department of Education, which provides student loan forgiveness to eligible full-time employees of qualifying 501(c)(3) non-profit employers. Not all entities of BAYADA are qualifying 501(c)(3) non-profit employers. For more PSLF information and/or to determine if your BAYADA entity is qualifying for PSLF, visit bayada.com/benefits/find-benefits/additional-benefits.

Contact pslf@bayada.com for additional questions and/or PSLF form completion.

Commuter benefits

Commuter benefits allow pre-tax funds to pay for qualified work-related commuting and parking expenses such as bus, train, ferry or subway fares and parking meters and parking garage fees.

MEDICAL – Aetna

BAYADA offers two medical plans through Aetna's Premier Care Network Plus. The APCN+ Network plans give you more coverage options. It assigns providers into three different tiers. Make sure you understand the benefits of each tier and which category your providers fall under before receiving treatment. The APCN+ Multi-Tier plans sort doctors and facilities into tiers based on their performance and ability to save money. The highest performing and most efficient doctors and facilities are in Tier 1.
