#### MEDICAL - Aetna

BAYADA offers two medical plans through Aetna's Premier Care Network Plus. The APCN+ Network plans give you more coverage options. It assigns providers into three different tiers. Make sure you understand the benefits of each tier and which category your providers fall under before receiving treatment. The APCN+ Multi-Tier plans sort doctors and facilities into tiers based on their performance and ability to save money. The highest performing and most efficient doctors and facilities are in Tier 1.
